

## **DO NOT READ IF YOU'RE UNDER 18.**

I thought this doc was gonna be ok but it gets genuinely so fucked up. There's shit revolving gore, rape, pedophilia, zoophilia, and so, so much more. All of the pornography is censored but some images aren't. Viewer discretion **HEAVILY ADVISED**.

This is genuinely some depraved shit. It's worse than anything I've ever seen and I have a special interest in horrorcows/lolcows.

tl;dr (or you can't read it) dg is involved in a child pornography ring on discord as well as pengun37 and blaine/satorsoren. dg125 has a fetish for gore, hard vore, rape, and is a zoophile. This has all been reported to the police near his, pengun's and soren's area and will hopefully be taken care of accordingly.

## **THOMAS ALEX CROSSLIN**

**weird racist zoophile gooner who is friends with people just as degenerate as him**

need to get the room out of the way tho

**OK, NOW ONTO THE DOCUMENT  
ZOOPHILIA**

DG made a thread in support of someone who drew feral porn.

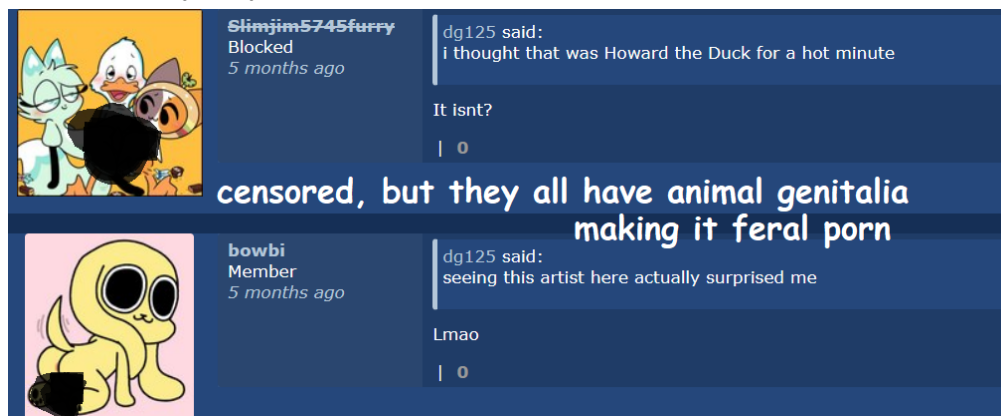

This thread, as well as his whole Twitter account, has been wiped. also animals can't consent and even if they could it's still weird to consume pornography of them

DG'S E621

SKIP THIS IF YOU'RE UNDER 18

THIS INCLUDES CENSORED GRAPHIC IMAGERY OF FERAL PORNOGRAPHY, GURO AND CUB (basically furry loli/shota)

Sue Sakamoto (pictured above), a character he has an obsession with, is supposed to be around 10 years of age btw. Thought I should mention that. Censored is animal genitalia.

guys don't let this e254e post distract you from the fact that the brickster's on the loose and we think his plan is to tear apart the town

Don't let this comment distract you from the fact that Bungee Gum possesses the properties of both rubber and gum.

## DG'S INVOLVEMENT IN THE "SEX" SERVER

The “sex” server is a discord server that was created by feral porn artist Bowbi when he was **16 years of age** at the time.

Some of the channels in the server.  
Dan is Bowbi btw.

3 October 2020

**bowbi** 03/10/2020 23:20

**pengun** 03/10/2020 23:20

**bowbi** 03/10/2020 23:21

OwO

**pengun** 03/10/2020 23:22

mm

**good boy** 03/10/2020 23:23

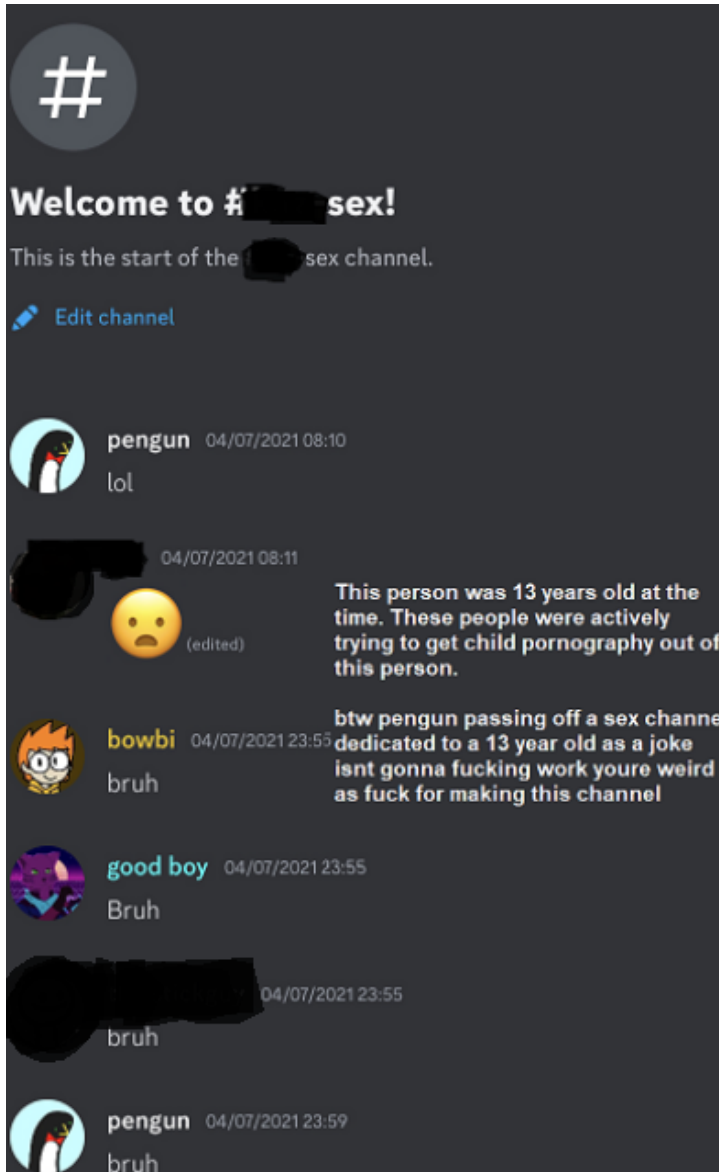

You two gonna erp or smth

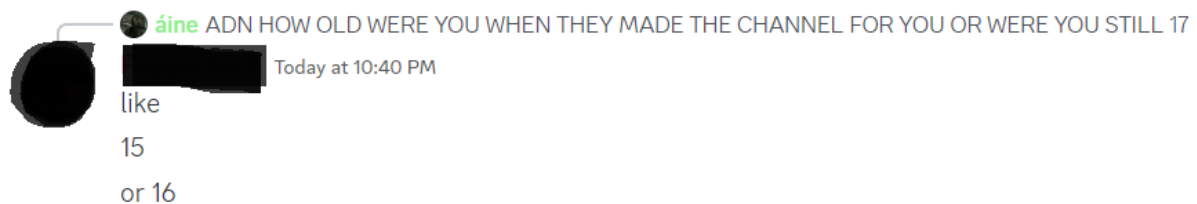

**pengun** 03/10/2020 23:24

:danshrug:

When the server was first made.

Not even the only channel they've made dedicated to a minor in this adult server.

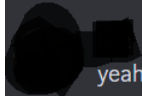

And considering that the server was made in 2020, when Bowbi was still 16, I wouldn't be surprised if there's **actual CP** on that server as well.

12/26/2023 10:27 PM  
penguin and soren were in this server as recently as november 2022

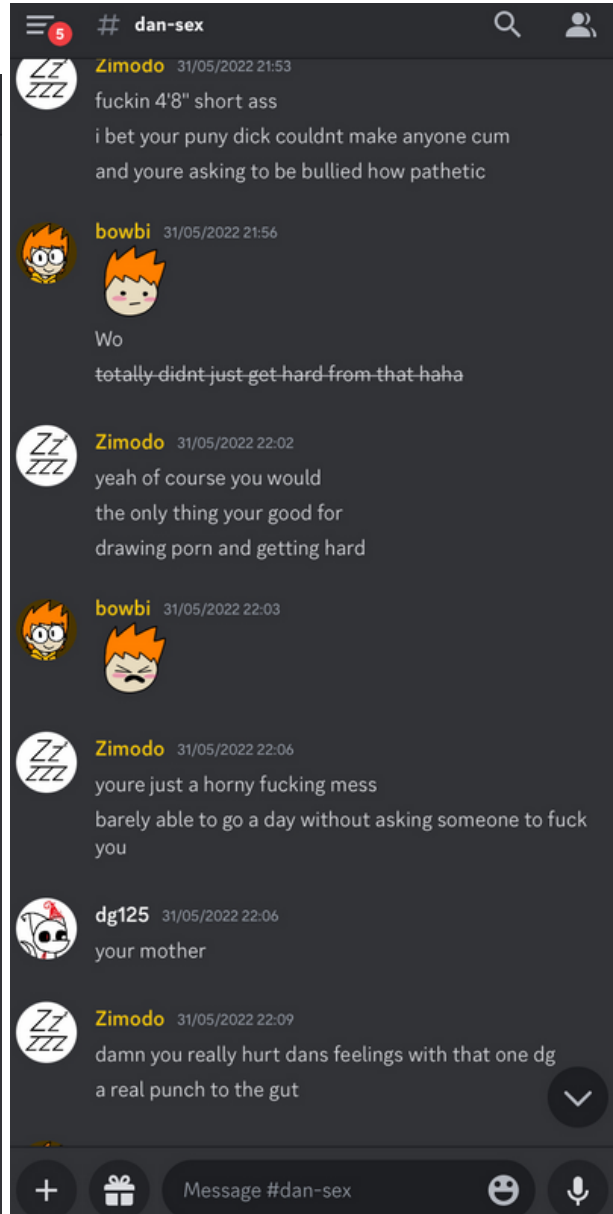

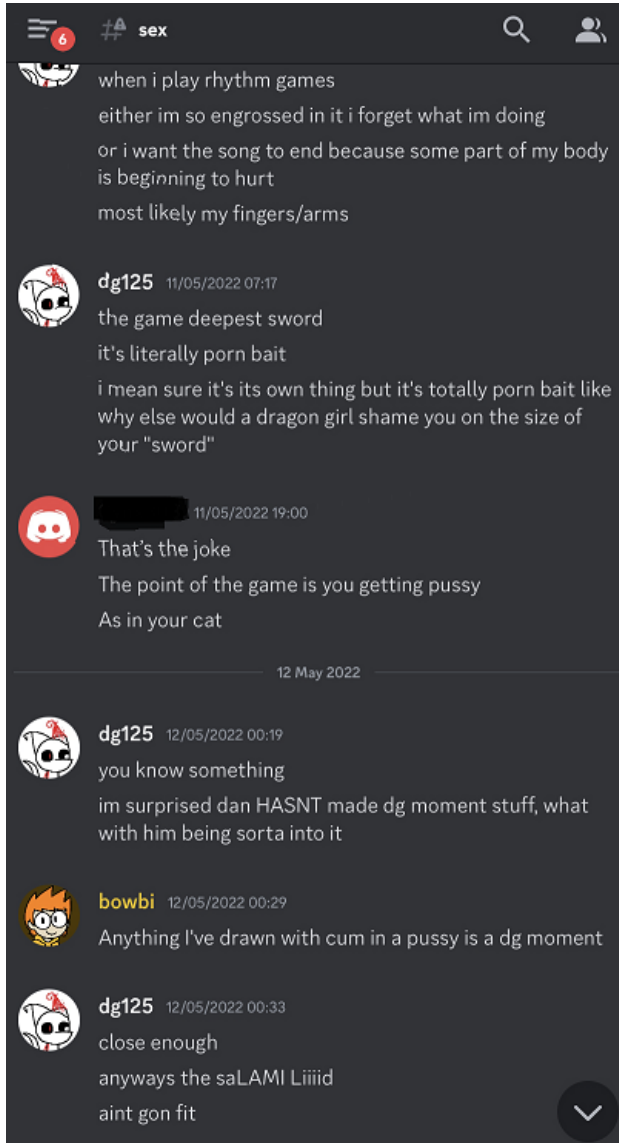

áine 12/26/2023 10:27 PM  
so he made a porn server when he was a minor and soren and penguin and everyone else there Didnt have a problem with it

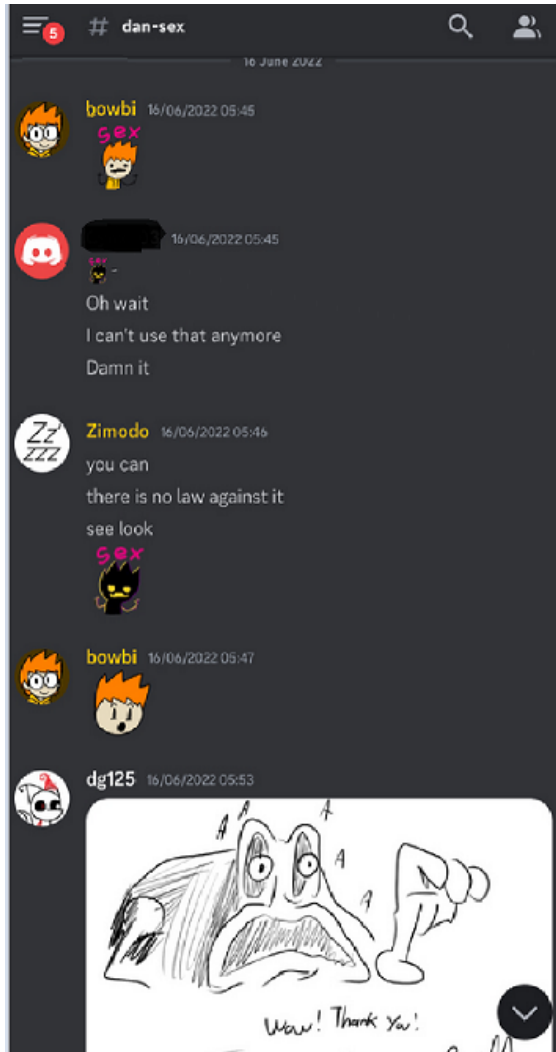

12/26/2023 10:28 PM  
yeah yeah bowbi made porn of their ocs and everything too

**censored is the 13 year old they tried to get cp out of**

Proof that DG was in this server.

Thomas Crosslin is seriously fucked up. I'd argue he's worse than the person who groomed me. Please spread this doc around to anyone who knows him, thank you.
